

Pinus Vital Natural Shampoo

The Natural Shampoo nurtures and protects hair and scalp in a unique way. The active pine heartwood ingredients provide healthy and supple hair and, moreover, enhance the vitality of the scalp. The mix of active substances in the pine heartwood extract is completed by natural essences such as chamomile extract, stinging nettle extract and wheat proteins which provide sheen, suppleness and body.

- Provides shining and supple hair
- Soothes and nurtures the scalp

Pinus Vital Conditioner

The unique combination provides full hair and strengthens it. High quality wheat proteins make the hair soft and increase the overall strength. Sheabutter moisturizes the hair and nurtures the scalp, sea buckthorn has a regenerative effect. An extract from birch leaves and pracaxi oil provide additional protection and care.

- Makes it easier to comb the hair
- Provides easy fullness and velvety shine
- Care from scalp to the tip of the hair

Pinus Vital Hand Cream

Due to its precious ingredients, the Hand Cream is an intensive care for dry and stressed hands. Next to the naturally effective pine heartwood extract, the cream contributes to a lasting smooth skin due to almond oil and sheabutter. Sea buckhorn extract soothes the skin and keeps it in a good condition.

- Richly moisturizes dry hands
- For soft and smooth skin

Pinus Vital Toothpaste

Wilms Toothpaste cleans teeth and cares for gums and the oral flora by using a unique combination of plant-based and mineral-based effective ingredients:

- Cleans thoroughly with calcium-, magnesiumoxide
- Delicate to the gums through boswellia
- Unique protection through pine heartwood extract

Pine heartwood is proven to have a positive and lasting impact on the oral flora.

Our toothpastes do not contain: Sugar and sweeteners, fluorides, colorants, preservatives and synthetic flavourings.

Pinus Vital Shower Gel

Sea buckthorn and marigold extracts have soothing and regenerating effects, in particular, when the skin is stressed. Mild tensides derived from coconut and sugar ensure a gentle cleansing without drying out the skin.

- Pleasant freshness
- Mild cleansing
- Invigorating Aroma

Pinus Vital Liquid Soap

The Liquid Soap gently removes make-up and impurities. Mild washing agents balance and normalize the skin. It has a pleasant scent and leaves the skin clear and refreshed.

- Mild cleansing
- Leaves skin clear and refreshed

Pinus Vital Natural Soap

Wilms® Natural Soap cleans and cares for the skin in a natural way – gently and thoroughly. The Natural Soap is a handmade soap made of natural ingredients. The pleasant mountain pine oil gives a nice sensation. The soap provides a long-lasting smooth skin. For daily skincare.

Dermatologically tested as "excellent" by Dermatest Germany.

Traditional plant.

The pine tree has been rated as a very much appreciated plant at all times. The properties of pine resin, shoots and needles have been known and used for a long time. However, the most valuable substances can be found in the heartwood of the pine. It contains many active substances which have a positive effect on skin and health.

Naturally healthy skin.

Nurturing, strengthening, calming...

The properties of pine heartwood ingredients are extraordinary versatile. Pine resin, shoots and needles have been appreciated at all times. However, the most valuable active substances can be found in the heartwood of pine.

Pine heartwood has built its power through hundreds of generations of nature. Because of its unique resisting power, the trees remain healthy.

The ingredients of pine heartwood offer great nurturing and protective properties. The use of this newly-discovered power is the distinctive feature of the PinusVital Skin and Body Care Series.

Tested and Approved

„Pine heartwood extract was shown to give vast improvement to dry, tense, aging and cracked skin. There was a significant improvement in skin moisture reported and a decline in skin redness.“

Ernst-Moritz-Arndt-University Greifswald, Germany

Test pine heartwood extract: 13 volunteers with stressed skin
Time: 3 weeks

PinusVital Liquid Care

Wilms® PinusVital Liquid Care is a purely natural way to use pine heartwood for skincare. Recent studies show that the extract significantly improves skin — refreshing, soothing and strengthening it. The pine heartwood extract is the base for all other products.

Application:

PinusVital Liquid Care is ideal for the daily skin care but also for the supportive care of irritated and itching skin areas, insect bites and impure skin. It is simply sprayed onto the skin and massaged in if needed. Its fluidity allows it to be immediately absorbed by the skin.

PinusVital Liquid Care

- protects and cares
- improves the skins protective barrier
- purely plant-based

PinusVital Nourishing Gel

The Nourishing Gel is a unique, refreshing skin care with a high amount of pleasant pine heartwood ingredients. The extra light and oil-free formula is quickly absorbed and leaves the skin clear and energized. The fresh scent of pine needles awakens the senses.

- Refreshing and cooling
- Leaves skin clear and energized

PinusVital Vitamin E Skin Gel

The Vitamin E Skin Gel contains next to a high amount of pine heartwood ingredients additional care components such as organic oils from jojoba and apricot kernels. An extract from arnica flower supports the soothing and beneficial effect of pine ingredients. This vitalizing formula is enriched with vitamin E, which protects and cares and intensively regenerates the natural protective barrier of the skin. The gel is quickly absorbed and refreshes and vitalizes.

- Restores and deeply regenerates
- Ideal for dry and stressed skin

PinusVital Body Lotion

Selected oils from jojoba, safflower, almond and shea butter deeply moisturize and comfort normal to dry skin. The balancing and soothing effect of pine heartwood ingredients is enhanced by sea buckthorn and verberna extracts. The Body Lotion leaves the skin smooth and soft and the natural aroma pleasantly refreshes.

- Leaves skin silky and smooth
- Supplies the skin with moisture
- Enhances the natural barrier function of the skin

PinusVital Lip Balm

In addition to the precious pine heartwood extract, it contains further nourishing ingredients. Shea butter keeps lips soft and provides a natural UV-protection. Carrot extract improves the natural skin function and soothes due to Pro-Vitamin A. Calendula extract promotes the relief of dry lips. PinusVital Lip Balm is a natural prevention and treatment of tingling sensations around and on the lips.

- Moisturizes dry, chapped lips with intensive care
- Prevents tingling sensations
- Provides a smoothing and lasting lip care
